GLM & Associates Company Profile

02

GLM & Associates offers services in Strategic Business Management, Human Capital Management, Media & Events Management. The company is partnered by Mulalo Colin Tshivhase as Executive Chairman and Mercy Moletsane as the Managing Director.

The Strategic Business Management incorporates Business Development, Enterprise Development and Corporate Social Investment. Human Capital Management services focuses on integrated Human Resource Management and Skills Development.

GLM Mission Statement and Value Proposition

GLM is passionate about its clients' value proposition and investment returns. Our service offering is designed to create opportunities and also put systems in place which measure return on investment.

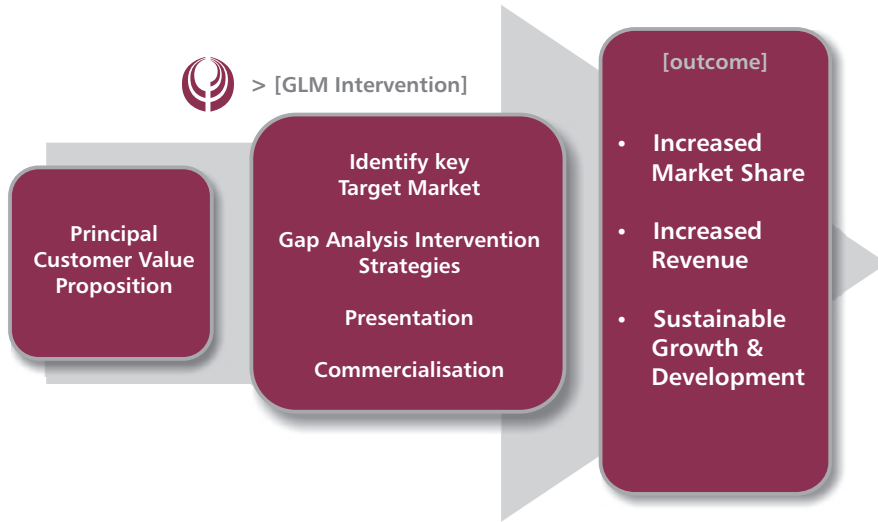

Our value proposition ensures quantifiable benefits and return on investment within the following *DTI B-BBEE Pillars of Codes of Good Practice*:

Passionate about your business

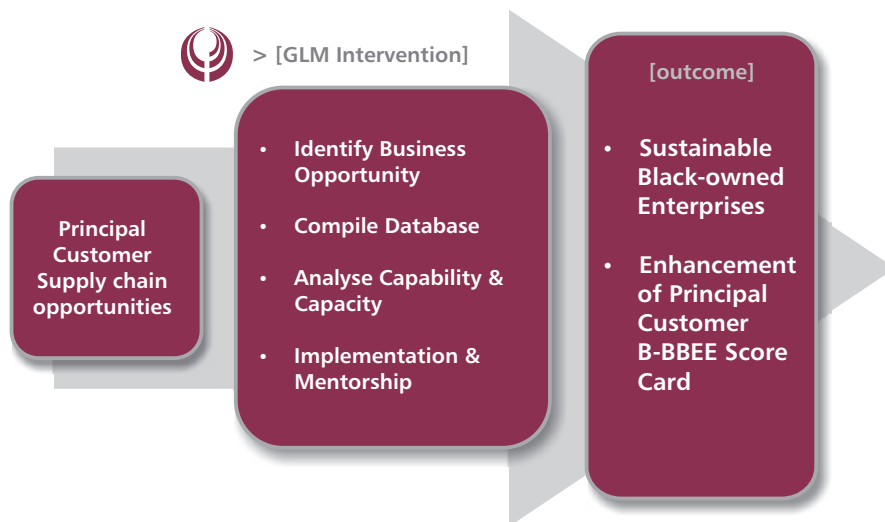

Business Development Management

GLM's Business Development Cluster offers general business consulting in market penetration and retention strategies from opportunity conceptualisation to full commercialisation of the projects/ products.

Enterprise Development Management

Our Enterprise Development Strategy also encompasses sustainable community development through encouraging establishment of co-operatives and enterprises.

Corporate Social Investment Management

GLM aims to widen the CSI scope within corporate SA by implementing feasible strategies via structural reform.

Therefore **GLM** informs and educates companies on the roles; responsibilities and steps needed to successfully achieve developmental impact.

Human Capital Management

GLM services incorporate Integrated Human Resource Management & Skills Development. Our services include:

- Payroll Administration
- Internships Management
- Skills development

GLM includes a full-service Media and Events planning division that provides complete planning, consulting and supervision for corporate and social events. We provide our clients with spectacular events through creativity and uniqueness based on individual tastes and preferences.

Whether the event is corporate or social; **GLM** incorporates themes, layouts, event format/(s) and decor with the ultimate goal of making your design-specific event unique and memorable in an effort to market the company at its highest potential. We act in a consulting capacity to accommodate limited budgets, manage smaller projects, or to execute multi-day events.

Corporate Events can include, but are not limited to the examples listed below:

- Events Management
- Conference Planning
- Group travel arrangements & Corporate hospitality packages
- Fund-raisers
- Charity Events
- Business Meetings
- Corporate Luncheons
- Company events such as golf tournaments, End of year functions etc.

Client Golf Days
